

Dear Educator,

Classroom Canines would like to invite your classroom to participate in this year's Classroom Canines Program. In a nutshell, each classroom chooses one dog to sponsor. Your class can choose between several approved activities such as our Adopt-A-Puppy Program, holding bake sales, hosting an online Scentsy party, filling coffee cans with change, hosting a yard sale, hosting a car wash (grades 6 and up), selling candy bars, participating in our Spring bulb sale, taking orders for our Spring and Holiday Yankee Candle Fundraiser, or our Christmas Wreath Fundraiser.

Classroom Canines participants are also allowed to participate in our annual drawing and coloring contest for award ribbons. Winning art work may be included in our annual calendar.

Your classroom will receive periodic updates and thank you notes from your canine. This is a fun program designed to teach the importance of being kind to companion animals for grades K-12.

Classrooms participating in at least three approved activities will receive an end-of-year pizza party (a \$40 Pizza Hut gift card)!

Please visit [www.classroomcanines.org](http://www.classroomcanines.org) for full program details. When you visit our website, you can choose your classroom's canine and view a list of approved participation programs.

Sign up while this year's registration is open for your class to be included!!

We look forward to working with your classroom.

Sincerely,

CLASSROOM CANINES  
314-A WEST LENNON DRIVE  
SUITE 121  
EMORY, TEXAS 75440
